OK great!

Do you think 1 hour will be sufficient for discussions? I know calendars are tight right now but if we can do 10-12 that will give us more time to review and discuss.

Hi Shantal,

I am not sure if Chip Poalinelli plans to attend, but based on his calendar the following times may work. I'll be able to confirm after Memorial Day.

- Monday June 29: 10-11 (my schedule is open from 10-2)
- Monday June 6: 10-11 (my schedule is open from 11-1:30)

I'll check with Herb and if he can attend, I know his time is limited.

Thank you, and have a good and safe Memorial Day!

Michael

Good afternoon!

I talked to my project team (all copied) and we have the following availability:

June 29 10am – 2pm

July 6 11am – 2pm

We also think it would be beneficial to include Herb Levine in the teleconference since he is familiar with the HSU work and was a part of the site strategy discussion we had with Melanie Morash.

Let us know which day and time works for you. Will you set up the teleconference or prefer I set it up via WebEx? Either way works for us!

Thank you and have a happy memorial day weekend!

Great, thank you for confirming! One correction, the annual reports are for 2018 and 2019, not 2020 as stated below.

We will stand-by for your comments and/or response. Thanks, again!
